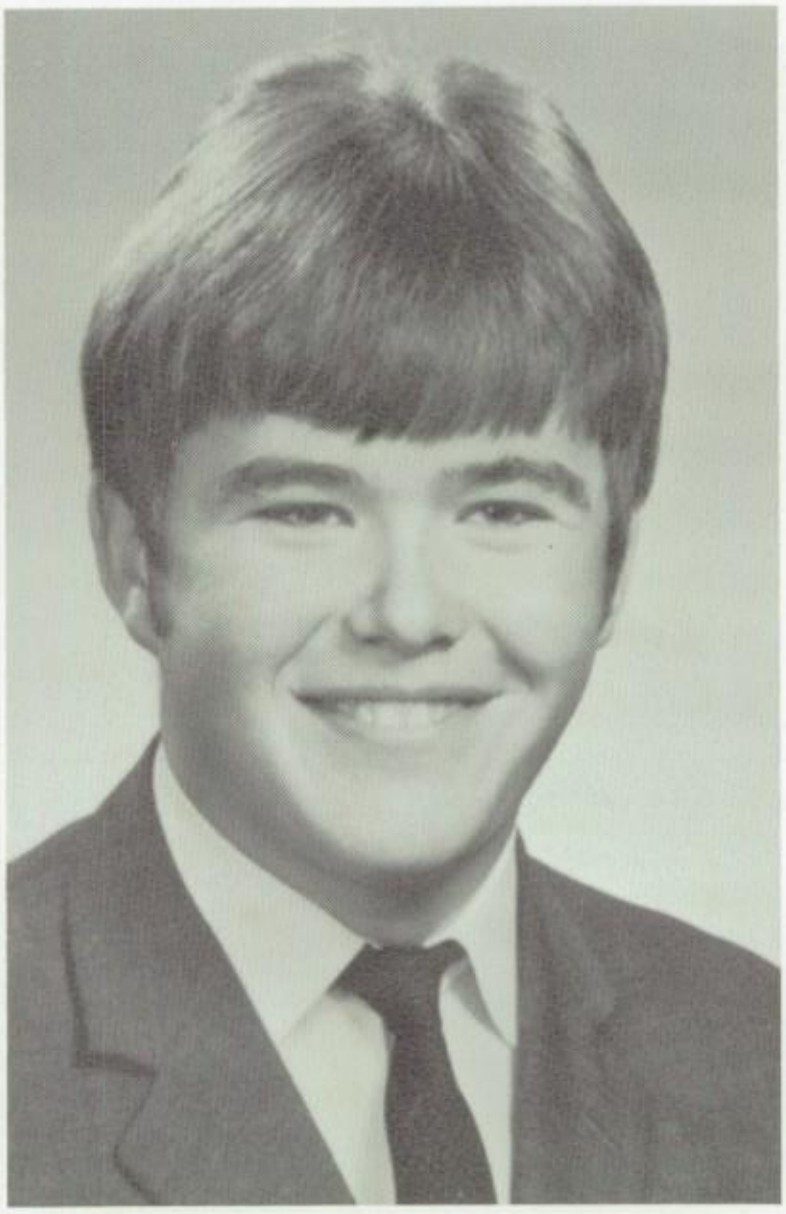
# *Carl Anders Wangby*



Maxwell High School was fortunate during the 1967-68 school year to have a foreign student. Coming from Sweden, Anders Wangby learned about the American way of life and we as well learned much about Sweden.

We the Student Body of Maxwell High School wish to thank the Guy Longneckers for sponsoring Anders during his stay in America and we hope this has done much to enrich their lives as well.

"Some Action"

"Curtain Going Up" is the story of the production of a high school play. Miss Burgess, directing her first play, is faced with a grouchy janitor, the disappearance of the play books, a set of comically crosses-up high school romance, a young heroine who becomes stage struck, a campus "Actor" with a swollen head, the athlete feeling out of place as an actor, a professional actress with advice, a banker's daughter driven to theft and dirty tricks by her father's ambitions --and a romance for Miss Burgess herself.

This was Coach Norm Appells first year at Maxwell. With a few breaks, as can be seen by the scores, Maxwell could have had a better season than the 3-3-2 that they had.

As for next season, the team will lose most of the experienced linemen, but the bright spot is that the backfield will be about the same as last year. We are sure that the team will win most of their games, and we wish them luck in doing so.
